Dear Mr. Ransom,

What a delightful story in "The Bend Bulletin" about your four year journey to build the Bend Roots Revival. I love the thought that everyone comes together to breathe life into this event.

Bend is such a unique place and often is a gentle starting point for new ideas and venues. In the years that my husband and I have lived in Bend, we've enjoyed watching new opportunities develop to showcase the talents of so many artistic folks.

Please thank all of your friends and allies who participated in the Revival. I wish you many more years of success.

Regards,

Representative Judy Stiegler
